

FAMILY COMMUNICATION POLICY

Family participation is an important part of making the OSHC Service a true part of the community. We believe in creating an environment that is welcoming and inclusive and supports a sense of belonging for children, families, and educators.

SCOPE

This policy applies to children, families, staff, management, and visitors of the Out of School Hours Service.

IMPLEMENTATION

We acknowledge the primary influence that families have in their children's lives and understand that effective relationships between educators and families are fundamental to achieve quality outcomes for children. Community partnerships that focus on active communication, consultation, and collaboration also contribute to children's learning and wellbeing. Positive relationships with families help to build

collaborative partnerships, as together we share a common objective and responsibility for reaching quality outcomes and goals for children.

We will provide regular information about the OSHC Service and ongoing opportunities for families to contribute in our curriculum. All staff will communicate with families in a positive and supportive manner that encourages respectful and trusting relationships.
